All prices include taxes and VAT

\*Idle fees apply as soon as the vehicle is fully charged for as long as it remains plugged.

\*\*Some AC charging stations are currently being replaced and do not have the iléwatt identity. For visitors and subscribers, the rate is €0.023/min (+ idle fees of 0.03€/min from 8 am to 8 pm). The amount charged between 8 pm and 8 am is capped at €6. The per-minute rate resumes from 8 AM if you are still connected.
